

2009 REGULATIONS FOR BOYS' BASEBALL TOURNAMENTS

Sectional, District, Regional and State

NOTE: The following regulations apply to all levels of tournament competition unless otherwise specified. These regulations have been adopted by the Ohio High School Athletic Association Board of Directors on February 12, 2009. The Commissioner is authorized to modify these regulations when it is deemed necessary by the Commissioner, subject to ratification by the Board of Directors.

GENERAL – SECTIONAL/DISTRICT TOURNAMENTS

1. ORGANIZATION OF TOURNAMENTS

The District Athletic Boards organize and conduct sectional and district tournaments in their respective districts, subject to the rules and regulations adopted by the Board of Directors. The Regional and State tournaments are under the supervision of the Commissioner's office. There will be four divisions (I, II, III & IV) in the boys' baseball sectional, district, regional and state tournaments.

2. ELIGIBILITY

All participants must be eligible under the Bylaws and Sports Regulations of the OHSAA. Only one school team sponsored by a member school is eligible to participate.

3. GAMES PER DAY

No team or individual shall play more than two tournament games per day.

4. ELIGIBILITY CERTIFICATES

Only 18 players in uniform will be permitted on the field or bench for any game. This does not include the team coaches. No substitutions will be permitted after the list has been handed to the tournament manager for the game that day.

One player, coach, or eligible substitute may occupy the coach's box while his team is at bat. He shall be in the uniform of his team. The coach not in team uniform may only converse with his team during an offensive or defensive team timeout at the team dugout/bench area.

Note: It is the responsibility of the schools' coaches, tournament manager/representative to make certain the number of players does not exceed 18. **If any player not listed on the 18 player roster for that game were to participate in the contest, he would be deemed an ineligible participant, and that contest would result in forfeiture of the game.**

BASEBALL TOURNAMENT SEEDING PROCEDURE

1. Tournament managers will post the records of all teams in their tournament. It is the responsibility of each school to have its records compiled as shown below and given to the tournament manager the day of the drawing. The records will include the number of wins and losses in the divisions of the teams played. For example:

A Division I team with an 18 game schedule currently played:

Vs Division I: 10 wins 2 losses
 Vs Division II: 3 wins 1 losses
 Vs Division III: 2 wins 0 losses

All games played shall be recorded.

2. Voting on seeded teams: a. All head coaches shall vote **via ballot which shall be made public**, selecting their choice for the #1 seeded team. The team with greatest number of votes shall be seeded #1, second highest #2, etc, until all teams are seeded. In case of a tie only the tied teams will be re-voted upon. If a tie should occur the second time, a flip of the coin shall determine the seeded team. **NOTE:** If electronic balloting is utilized in a District, the results shall be sent to the manager and made public by the manager at the drawing meeting.

3. Placement of Teams on Brackets: Each District Athletic Board shall determine placement of teams on brackets. Regulations for specific District Athletic Board tournaments are available on their websites at:

Central District Athletic Board: www.cdab.org
 East District Athletic Board: www.edab.org
 Northeast District Athletic Board: www.nedab.org
 Northwest District Athletic Board: www.nwdab.org
 Southeast District Athletic Board: www.sedab.org
 Southwest District Athletic Board: www.swdab.org

Sample brackets will be distributed to each manager. Samples of brackets are included in the manager's materials and can be found on the OHSAA web site.

The tournament manager will distribute brackets to representatives of participating teams.

All brackets shall designate date and time of contest with the home team being listed on the top of the bracket.

School Associations will be the Official Rules in all tournament games. THESE RULES MUST BE FOLLOWED EXPLICITLY AND COACHES, SCHOOLS, OFFICIALS AND UMPIRES CANNOT MUTUALLY AGREE TO MODIFY OR CHANGE THESE RULES IN ANY WAY WHATSOEVER.

(d) Baseball Rule 4-5-1. The OHSAA Constitution and Bylaws does NOT permit Protested Games.

INTERPRETATIONS: In the event a rule is misinterpreted or misapplied, the correction must be made by the umpires and coaches on the field at the time it occurs.

Umpires and coaches are urged to carry Rule Books, to confer using Rule Books and to make a correction where warranted. If the coaches and umpires cannot agree, the final decision will be made by the plate umpire.

12. **BATTING PRACTICE**

Batting practice is *permitted* prior to all OHSAA tournament games but is *not mandatory* on the game field. In sectional and district tournaments, teams are permitted to have batting practice if they have the time available.

8. Violation of this regulation may result in the removal of offender from the premises.

17. UNSPORTING CONDUCT PENALTY

During participation in OHSAA tournaments, any student or coach ejected for unsporting conduct shall be ineligible for the remainder of that day as well as for all contests in that sport until two regular season/tournament contests are played at the same level as the ejection.

Individuals ejected for unsporting conduct shall be reported to the OHSAA Commissioner by the tournament manager. The Commissioner will investigate the situation and may impose additional penalties in accordance with Bylaw 12 if the situation warrants it.

Participation in an athletic contest is a privilege. Each individual is expected to conduct himself or herself in an exemplary manner while participating.

18. PROPERTY DAMAGE

There is no insurance covering property damage. If property is damaged at a tournament site by competing school teams, student body or spectators, the school from which the students and/or spectators come shall be liable and pay the cost of repair or replacement. The OHSAA will deduct from the school's share the cost of any damages caused by competing schools. Other damages to facilities not attributed to a competing school could be a legitimate tournament expense and may be deducted from tournament receipts. If damage is extensive, the District Board or Board of Directors will become involved. Student crowd control at state sponsored tournaments is the responsibility of the administrative heads of the competing schools.

19. SPONSORSHIP AND RIGHTS

The Ohio High School Athletic Association is the sponsoring organization for the Baseball Tournaments. The OHSAA reserves all rights in regard to the management of these tournaments and the sale of any items at the tournaments sites or any audio-visual reproductions of the events. Any sale of food, clothing, souvenirs or any other items is strictly prohibited without permission of the respective District Athletic Boards for Sectional or District Tournaments and the OHSAA Commissioner for the Regional and State Tournaments.

20. PROHIBITED ADVERTISING

There shall be no advertising through printed media, billboards, radio or television that includes beer, wine, liquor, tobacco, political parties or candidates or any other advertising contrary to the philosophy of the high school athletic program.

There shall be no raffles or any type of games of chance permitted at the site of baseball tournament contests during the period beginning one hour prior to the tournaments and ending one hour after the tournaments have ended.

22. PROHIBITED SALES

The sale of, the distribution of, or the consumption of alcoholic beverages or illegal drugs is not permitted at the site of any contest involving OHSAA member schools.

23. LIGHTNING AND INCLEMENT WEATHER

Recognition and Management:

Occasionally it may be necessary to interrupt an outdoor interscholastic athletic contest due to lightning in the area. Officials, coaches, certified athletic trainers, athletes and administrators should be educated regarding the signs indicating thunderstorm development. Due to the fact that this natural phenomenon is highly unpredictable, upon first sign of lightning or other threatening weather (thunder) the contest officials and school administrators shall monitor weather in the area. Upon the first indication that thunderstorm

development is within 15 miles of the contest, the contest official shall suspend the competition until 30 minutes after the storm has left this 15-mile zone. In order to protect student-athletes, spectators and other participants, there shall be access to appropriate shelter in the event of such suspension. All contests suspended shall be resumed at the point of interruption.

Weather shall be monitored using the following methods:

*** Monitor Weather Patterns**

Be aware of potential thunderstorms by monitoring local weather forecasts the day before and morning of the competition and by scanning the sky for signs of potential thunderstorm activity.

Flash to Bang

This method is used to assess how far away lightning is striking. It is determined by counting the number of seconds it takes to hear a clap of thunder after witnessing a flash of lightning. The number of seconds is then divided by five to get the distance, in miles, to the lightning flash. Generally, a 75-second or less flash-to-bang count suggests it is advisable to move the athletes from the field to a safe shelter.

National Weather Service

Weather can be monitored using small, portable weather radios from the NWS. The NWS uses a system of severe storm watches and warnings. A watch indicates conditions are favorable for severe weather to develop in an area; a warning indicates severe weather has been reported in an area, and everyone should take proper precautions.
