Boys State Tournament Individual Champions

In the 1928 through 1930 state tournaments, the distance of the event was 2.5 miles. Beginning in 1931, the distance was two miles. This distance was competed through the 1976 season, when the distance was increased to 2.5 miles. In 1982, the official distance was increased to 5,000 meters (approximately 3.1 miles).

From 1960 through 1984, the individual qualifiers competed in a separate race than the team qualifiers in the state tournaments only. The listing that follows contains the official winners from each race. The winner of the individual race is listed with an "I" in front of his name, and the winner of the team race is listing with a "T" in front of his name.
