

OHSAA Softball Umpire State Meeting Information 2013

The OHSAA will offer online meetings which will be available by February 5. To access these meetings please follow these instructions:

Officials should access their meeting by going to the login screen. There will be a link for the OFFICIALS on-line Rules Meeting. Click to register by completing the required fields and complete the softball PowerPoint. Please note that **all screens of the presentation must be viewed and the quiz completed for credit to be provided. The on-line rules meeting will be available by 4:00 P.M. February 5, 2013. The last date to review an on-line meeting will be Friday, March 15, 2013. A \$50 late fee will be assessed after this date to complete the on-line rules meeting. The last date to review an on-line meeting with penalty is Monday, March 25, 2013.**

The OHSAA will also offer thirteen face to face meetings for umpires only. To increase consistency we will be further expanding our training opportunities for umpires by adding a new option to our state interpretation meetings. **Six of these state meetings are marked in bold letters –one meeting in each of the OHSAA’s six athletic districts (Beavercreek, Cuyahoga Falls, Athens, Columbus, Zanesville, and Lima) – and will feature a comprehensive session of about two and a half hours. In addition to reviewing the information provided at each state meeting, there will be extensive review of the most important items that we want to cover with our umpires prior to the 2013 season.** This will include rules, mechanics, game management, safety issues and other invaluable topics. This is an experimental program and one that we hope will make our meetings more valuable to you. Please note that ***at these six meetings umpires will not be able to receive credit for both baseball and softball state meeting attendance*** but that you will receive credit for one local meeting in addition to the state softball meeting.

OHSAA Baseball/Softball 2013 State In-Person Meetings
