RE: 2018 OHSAA Athletic Discussion Meetings

The six Ohio High School Athletic Association Athletic Discussion Meetings for 2018 have been finalized with the dates and locations listed below. An administrator or two from the OHSAA staff will review the 2018 referendum issues and talk about topics of current interest. The meetings will last approximately two hours and there is no cost to attend.

The meetings are intended for superintendents, high school principals, high school athletic administrators, 7th-8th grade principals, city supervisors and board presidents. Media members are also welcome to attend. Attendance by at least one school administrator is highly encouraged, and a maximum of four administrators from one school is permitted.

We ask all school administrators to coordinate their registration efforts through the high school athletic administrator. He/she will be emailed a link to the registration form. An email will be returned to athletic administrators to inform them that their registration has been received.

If you are an OHSAA District Athletic Board secretary or treasurer or a member of the media, please email Molly Downard (mdownard@ohsaa.org) with your intentions to attend.

The OHSAA board and staff hope that you will be able to attend the meeting of your choice. If conflicts develop after a reservation has been submitted, you are welcome to send another representative to take your place. If no one is available, please contact Molly Downard (mdownard@ohsaa.org) or 614-267-2502, ext. 108) for cancellations. It is important that the host sites be provided with an accurate count of attendees to ensure a proper setup. Thanks for your attention to this matter, and we look forward to seeing you at one of these important meetings!
