**Tinted Visors**
NFHS Rule 1-5-3c4 states that visors must be clear and that tinted eyewear (glasses) may be worn under the clear visor. *A prescription from a doctor does NOT supersede this rule.* Any accommodation outside of NFHS Rules (NFHS Rule 1, Section 7) for an athlete in football must be approved by the OHSAA office (Beau Rugg).

**Point Differential and Shortened Periods/Mandatory and Mutual Agreement**
1. In the second half of all contests, anytime the score differential reaches 30 points or more, a running clock will be used. **This is mandatory by regulation.**
2. By mutual agreement of the opposing coaches and the referee, any remaining period may be shortened at any time or the game terminated. **This is only done by mutual agreement.**
3. New this year (from coaches asking in 2018): By mutual agreement of the opposing coaches, if the score differential reaches 30 points in the first half, a running clock **may** be used. **This is only done by mutual agreement.**

**Video**
Please send video for rule interpretations and questions to Beau Rugg at brugg@ohsaa.org.
