Mandatory Online Rules Meeting
Today is the last day to complete the rules meeting, please check to make sure you have done this. After today, a $50 late fee will be assessed to get this completed.

Non-Interscholastic Waiver
A reminder that each student has the opportunity to use three waivers to participate in non-interscholastic events during the season. There have been about 150 submitted so far and the waiver request form can be found here: https://www.ohsaa.org/Portals/0/Sports/Golf/WaiverRequestForm.doc. Each waiver must be completed and submitted to me prior to the event for approval. The last day these can be utilized is Sunday, September 16.

Lightning and Inclement Weather Policy
The following policy is in place for all OHSAA Sports:

Management:
- **Evacuation**: If lightning is imminent or a thunderstorm is approaching, all personnel, athletes and spectators shall evacuate to available safe structures or shelters. A list of the closest safe structures should be announced and displayed on placards at all athletic venues.
- **Thirty-minute rule**: Competition or practice shall be suspended once lightning has been recognized or thunder is heard. It is required to wait at least 30 minutes after the last flash of lightning is witnessed or thunder is heard prior to resuming practice or competition. Given the average rates of thunderstorm travel, the storm should move 10-12 miles away from the area. This significantly reduces the risk of local lightning flashes.

Any subsequent lightning or thunder after the beginning of the 30-minute count shall reset the clock, and another count shall begin. There is no exception and everyone from officials, coaches and school administrators share in the responsibility of enforcement.

Coaching Rule
Please remember, you are only permitted ONE designated coach to speak with your players during contests. Make sure you cover this with your assistant coaches and parents, so they are not offering coaching advice on the course.

Survey
Please take a few moments to answer these three survey questions: https://www.surveymonkey.com/r/3ZD52JB. Your input is very important when looking at potential changes.
