RE: Tournament Regulations and Tournament Financial Reports

TENNIS TOURNAMENT REGULATIONS - REFER TO WEB SITE AT www.ohsaa.org AND MANAGER’S SUPPLEMENTAL INFORMATION PACKET

This mailing is to provide all sectional, district and state tournament managers with information relative to the OHSAA tennis tournaments. The 2019 Regulations for Girls Sectional-District-State Tournaments were adopted by the OHSAA Board of Directors on August 8, 2019 and should be strictly followed.

Tournament entry forms for tennis are NOT included in this mailing. Tennis Tournament entry forms will be completed ONLINE. Girls Tennis entry information must be sent to the appropriate sectional manager using the official entry process. The Board of Directors Common Draw/Seed date for girl’s tennis is September 22, 2019. Schools have been instructed to complete the form, print it and give it to the tournament manager at the draw/seed meeting. Please note the draw/seed meeting is to be conducted at 2:00 p.m. on September 22, 2019. No exceptions!

For sectional tournament managers:
In this mailing is the tennis tournament participation form that needs to be completed and returned to the OHSAA immediately following the completion of your sectional tournament. Also, regarding Eligibility Certificates and Entry Forms:

a. Eligible schools must submit all pertinent information per instructions of the District Athletic Board. It is the school’s responsibility, verified by the coach, to ensure that all submitted documents are accurate.
b. Make sure that the manager at the next tournament level is aware of all single players and doubles teams that have advanced. Include the student’s names, school, grade level, head coach, etc.

Eligibility Certificates:
There is NO necessity for school administrators to submit eligibility certificates to tournament managers. It is the responsibility of the athletic administrator at the school to make sure that the students who participate are eligible in all respects. It is not the responsibility of the tournament manager.

Immediately following the completion of the Sectional Tournament, notify the District Tournament Manager of the teams/individuals that have qualified to the District tournament. Please double check for correct spelling.

OHSAA tennis rules are based, in part, on USTA rules contained in 2019 Friend At Court at https://www.nfhs.org/media/1019875/2019-friend-at-court.pdf

The financial reports and instructions for tournament managers are NOT included and should be completed online at http://www.ohsaa.org/financial/reports as instructed. You may also print the forms and fax/mail to the appropriate District Athletic Board Member if that is permitted by the DAB. Best wishes for a successful girl’s tennis tournament.

TOURNAMENT REGULATIONS – DISTRICT MANAGERS

Tournament Regulations are available at www.ohsaa.org. On the website, under “Sports & Tournaments” select Tennis - Girls. The regulations are listed under “Tournament Information” on the left side of the tennis page.

PLEASE NOTE:

The OHSAA wants to emphasize that the tournament regulations and school assignments are published on the OHSAA web site (www.ohsaa.org).

Supplementary material and forms are included in the managers’ packet to assist managers in the operation of the tournament.

1. Please contact managers of sectional tournaments that have qualifiers to your district tournament and make arrangements to secure the singles and doubles qualifiers.

2. Complete the financial reports, available online, and send it to the designated person(s) within 10 days after the tournament.

3. Inclement Weather- Occasionally there may be the necessity to interrupt a tennis tournament due to inclement weather in the area. Do not take chances with lightning, as it is very unpredictable. In case of doubt, the tournament manager should suspend competition until conditions are deemed safe. Protect athletes and spectators. Be sure that there is access to a building for shelter if such a suspension of the tournament competition occurs. The OHSAA’s Lightning and Inclement Weather Policy is included as part of the Tennis Tournament Regulations.

4. It is recommended that single sticks be used in all district tennis tournaments.
State tournament qualifiers from all district sites will be reported using the OHSAA web site. An on-line form has been created for you to enter all the required information. This information will automatically be e-mailed to the appropriate personnel at the OHSAA office and will automatically print the state tournament program and brackets. Therefore, please insure the accuracy of the qualifier's name, grade, school, coach, and colors. Please follow the instructions on this page to access and complete the on-line form.

Step #1: Log on to www.ohsaa.org

Step #2: From our home page, use the drop-down menu labeled “Sports & Tournaments” and select Tennis- Girls.

Step #3: After the girl’s tennis page appears, click on Tournament Manager Log-In listed under 2019 Tournament Info in the left column.

Step #4: The State Qualifiers Form will appear.
Note: Use the tab key to move from field to field. DO NOT TYPE IN ALL CAPITAL LETTERS!

- Complete the tournament site information: your name, district and division and indicate that you are reporting girls' qualifiers.
- Proceed to the Single’s Qualifiers section.
  Enter the number of single qualifiers from your site.
  Followed by each qualifiers name (First name (space) Last name), school grade, school colors and head coach’s name. Enter the city name of the school if different from the school name, this helps us to distinguish schools with the same name, example: Crestview – Ashland? Convoy? Columbiana?
  *Remember to enter the grade of each qualifier.
- Proceed to the Double’s Qualifiers section
  Enter the number of doubles qualifiers from your site. This should be the same as the number of singles qualifiers.
  Enter the doubles qualifiers in order of finish, input their school name, city (if different from the school name), school colors and the head coach’s name.
  Enter the name (First name (space) Last name) and grade of both individuals on each doubles team.
  Repeat this process and until all double’s qualifier information is entered
- Remember the way you keystroke the information is the way it appears on the brackets and in the souvenir program.

Step #5: Review your form for accuracy and completeness. Click the submit button to transmit the information to the OHSAA. The information will not be sent unless you CLICK “SUBMIT”.

Thank you for your cooperation with this procedure and have a great tournament!

***If you require assistance, call Brenda Murray at 614-738-1840 or 614-267-2502.

   2.2 Each individual match is best two out of three sets. The twelve-point tie-breaker will be used in each set. Individuals are prohibited from participating in more than three matches per day. *If there is inclement weather, especially extreme heat and/or humidity, tournament personnel may implement "no ad" scoring or a super tiebreaker in lieu of a 3rd set.*

   2.3 Three balls will be furnished for each match.

   2.4 Players and coaches are requested to assist in starting matches on schedule. A ten-minute default rule may be enforced.

   2.5 The warm-up period for all matches shall not exceed ten minutes.

   2.6 All warm-up serves in both singles and doubles shall be taken prior to the start of play.

   2.7 Play shall be continuous as defined by U.S.T.A. regulations. In case of injury or illness, after evaluation by a coach or trainer, a player will be allowed a maximum of five minutes’ treatment after which the player must resume play or forfeit the match.

   2.8 Singles players must play in order of team rank. The better doubles team must play No. 1 doubles. This rule also applies to injury or illness preceding a match. Forfeiting a point for a missing player’s position is not allowed. If the No. 1 player cannot compete, the regular No. 2 player plays at No. 1, the regular No. 3 player plays at No. 2 and the substitute is placed at No. 3 “Stacking” is not allowed under any circumstances.

   2.10 Players are warned not to catch balls before they strike the court.

   2.11 In case of foot faults the coach (not players) should notify the tournament manager. The tournament manager will handle the violations and may assign a foot fault judge if necessary.

3. COACHING

A. The following guidelines apply to Sectional and District Tournament play:

3.1 In addition to at the end of games 3, 5, 7, etc. and the end of each set, a coach may coach their own player(s) any time during the 20 seconds between points as long as the coach does not interfere with actual play...coaching cannot interrupt the continuous play rule. There can be absolutely no coaching during actual match play.

3.2 Coaching may only take place where facilities permit it. Matches on other courts cannot be interfered with. A coach may sit or stand near the net post and must stay within the area where the players' chairs or benches would be located if not provided. It is permissible to coach from outside of a fenced court, on an empty adjacent court where the coach may stand and/or at the doubles sideline on the same side of his/her own player...if the coaching does not interfere with other matches occurring simultaneously or the match in progress. Coaches shall in no way distract an opposing player. Coaches may coach within the lines of the court only during a changeover or set break.

3.3 A coach shall not initiate a conversation with an opposing player or in any way get involved with an on-court situation, except at the request of the player(s) or opposing coach in accordance with what is already permitted. At no time should a player initiate a conversation with an opposing coach.

3.5 The use of signals, cheering (as opposed to applause), vile suggestions, and the like, during play, is considered unsportsmanlike and is not permitted.

3.6 PENALTIES FOR VIOLATION: If there is any violation of the above rules (i.e. continuous coaching during match play, distracting an opposing player, coaching where coaching is not permitted, etc.) the offending coach will receive a code of conduct and/or time violation penalty and his/her player, on the court where the violation occurred, will receive a point penalty as a result of the violation. Penalties will be assessed by the opposing coach or tournament manager if applicable. For any subsequent violation, the coach’s player shall be assessed a game penalty for a second violation and disqualification for a third. Future matches will not be affected, but the violations shall be reported to the offending coach’s athletic administrator.

records will include the number of wins and losses in the Divisions played, e.g. 22 team match schedule – Division I School.

12 wins – 2 losses – Division I
7 wins – 1 loss – Division II

It is recognized that not all 22 matches may have been participated.

b. Coaches shall nominate singles players and doubles teams to be considered for seeds. Many factors may be considered when seeding students, not just actual regular season records. The quality of competition as well as past OHSAA tournament performance may also be considered. Records of the nominated seeds shall be recorded for all to see.

2. Voting for Seeded – Singles and Doubles
   a. All coaches shall vote verbally selecting their choice for the #1 seed. The player(s) with the greatest number of votes shall be #1 seed.
   b. Once the #1 seed has been determined, the coaches shall vote verbally selecting their choice for #2 seed and etc. until the required number of seeds is obtained.
   c. In case of a tie only the players tied will be revoted on.
   d. If a tie should occur the second time, a flip of the coin shall determine the seeded player.
   e. Once a seed has been determined, it may not be withdrawn.
   f. The tournament manager or a designee shall record the seeds numerically for all to see.

3. Drawing for Unseeded #1 singles:
   a. The unseeded #1 player shall draw so that the alphabetical order of draw will go from Z-A
   b. The unseeded #1 player shall draw according to the name that the school goes by using the OHSAA Directory for the current year as a reference for alphabetical listing, e.g. Delphos St. John’s – St. John’s.
   c. A representative of each school’s unseeded #1 player must draw a numbered pill which indicates the order of choice for placement on the brackets.
   d. The order of draw of unseeded #1 players shall be announced and made public before placement of players on the bracket.

4. Placement of #1 Players on Bracket:
   a. The placement of #1 players on the brackets shall take place after the selection of seeded players and the order of draw for unseeded players has been announced and made public.
   b. One space must be left on each quarter or half bracket for a seeded player with no more than one seeded player per quarter or half bracket where a bracket calls for a seeded player.
   c. First seed has first choice to go any place on bracket.
   d. If #1 seed passes, #2 seed may go to any place on bracket.
   e. If #2 seed passes, #3 has choice.
   f. If a seeded player passes, the choice then goes to the next seeded player.
   g. If all seeded players pass, then the unseeded #1 player with the No. 1 pill shall place itself on the bracket.
   h. Any time a seeded or unseeded player is placed on the bracket, the top seeded player not placed on the bracket shall have next choice. If they pass, the next seeded player would have their choice to pass or be placed on bracket, etc.
   i. Keep in mind that any time a seeded player places themselves on the bracket, the top seeded player not placed on the bracket shall have the next choice. If all pass or place themselves on
the bracket, then the next unseeded #1 player in order of the number of pill shall be placed on the bracket.

j. This procedure would be followed until all first single players have been placed on the bracket.

5. After the first singles players have been placed, draw order for the second singles players is done in the same manner.

NOTE: Number one and two singles players from the same team must be in different quarter brackets.

6. After the first and second single players have been placed, draw order for the third single is then done. Third single players must be in opposite quarter brackets from the first and second single players from the same team.

7. After third single players have been placed on bracket (draw completed), conduct draw for doubles teams. Following the same procedure as outlined for singles, begin with Item 2.

NOTE: If a school fails to have a representative present at the draw and seeding meeting, the manager shall place the player(s) on the open bracket after all other players have been placed on the bracket. If more than one school fails to have a representative at the draw and seeding meeting, the manager shall place the players on the bracket according to the alphabetical order of draw for unseeded players after all others have been placed on the bracket.

8. TIME BETWEEN MATCHES

There shall be a minimum of 30 minutes between matches in Sectional Tournaments and a minimum of 45 minutes between matches in District Tournaments for all competitors. In the state tournament, there shall be a minimum of one hour between matches, weather permitting. If inclement weather (e.g. precipitation) is probable during the state tournament, and participants are agreeable there shall be a minimum of 45 minutes between matches for all competitors. If matches have been moved indoors, there shall be a minimum of 45 minutes at the state tournament for all qualifiers.

NOTE: These are minimum ‘rest’ requirements. There may be an instance when more rest is recommended, especially when playing in hot and/or humid conditions or when a participant has had an exceptionally long match preceding the match in question. Safety First.

If it is anticipated that matches will be played in extreme heat and/or humidity, the tournament manager may move tournament matches to an indoor facility.

9. QUALIFIERS

A. Sectional to District Tournament: The District Tournaments will be composed of the qualifiers from the Sectional Tournaments. Each sectional Tournament may qualify up to four singles players and four doubles teams to the District Tournament. The maximum number of qualifiers to the District Tournament will be:

The number of teams participating at the first level of the tournament may not require that four sectionals be held, thus affecting the number of qualifiers to the district.

B. District to State Tournament: The District Athletic Board hosting a District Tournament will inform the manager of the tournament of the number of singles players and doubles teams the tournament shall qualify to the State Tournament. The qualifiers from the District to the State Tournament shall be:

**NOTE:** In DI, the Central District will have one (1) qualifier. This is the first year of a new two-year representation cycle.

The East and Southeast Districts will host their own sectional tournaments with qualifiers advancing to the District Tournament to be hosted by the Southeast District. District qualifiers are as follows, E=2; SE=6

10. DISTRICT TOURNAMENT DRAW

The District Athletic Board hosting a District Tournament shall conduct the District Tournament draw using the following criteria:

A. The four* qualifiers from each sectional will be placed in separate quarter brackets.

B. First and second place qualifiers from a sectional must be placed in opposite half brackets.

C. Third and fourth place qualifiers from a sectional must be placed in opposite half brackets.

D. First round District Tournament matches will pair sectional winners versus fourth place qualifiers from a different sectional, and sectional runners-up versus third place qualifiers from a different sectional.

*There may not be four distinct sectionals, thus there may not be four qualifiers. The number of teams/individuals participating in each athletic district varies.

11. SCHOOL REPRESENTATIVE

No team or individual entry will be allowed to compete in the Sectional, District or State Tournaments unless accompanied by a coach or person authorized by the Board of Education or similar governing body for a non-public school. Teams and individual entries unaccompanied by a coach or authorized person will be disqualified. The school representative shall be present during the entire play of their entries. Only an individual who has been authorized by a Board of Education or similar governing body, or a member of the school team, may participate in the interscholastic match/contest activities (e.g. warm ups.)
12. AWARDS

Awards presented at the site of the District or State Tournaments must be approved by the OHSAA.

A. Sectional Tournaments – awards will not be awarded by the OHSAA.

B. District Tournaments – an award will be presented to qualifying State Tournament participants in singles and doubles.

C. State Tournament – an award will be presented to the winner, runner-up, third and fourth place finisher in singles and doubles.

13. TOURNAMENT QUALIFIERS

To enter the District Tournament, a singles player or the doubles team must first qualify from the Sectional Tournament. Substitutions may be made for players on the doubles team qualifying for the District and/or State Tournaments, but they must be made from the substitute list and must be competitors who did not participate in the Sectional or District Tournaments. Substitutions for a doubles team must also be made prior to the start of the respective tournament.

NOTE: See the Substitution Policy (#5).

All tournament matches must be played to a winner.

14. VOLUNTARILY DEFAULTING MATCHES

A player who voluntarily defaults a match, other than for injury or illness, shall be disqualified from further OHSAA tournament participation that year and is not eligible to receive an OHSAA tournament award. A singles player and/or a doubles team must be present at a match to advance. Note: See the Substitution Rule (#5) and Failure to Appear (#6).

15. RULES

The United States Tennis Association (USTA) rules, unless modified by the OHSAA, shall prevail for all tournaments sponsored by the OHSAA unless otherwise noted.

All matches shall be the best of three sets. **WHEN A TOURNAMENT IS PLAYED IN EXTREME CONDITIONS, SUCH AS EXTREMELY HIGH HEAT OR HUMIDITY, THE TOURNAMENT MANAGER, IN CONSULTATION WITH THE EXECUTIVE DIRECTORS OFFICE, MAY PLAY A SUPER TIEBREAKER IN LIEU OF A THIRD SET. THE TOURNAMENT MANAGER MAY ALSO DECIDE TO PLAY A MATCH WITH 'NO AD' SCORING. THE DECISION TO PLAY A SUPER TIEBREAKER IN LIEU OF THE THIRD SET OR A MATCH WITH NO AD SCORING SHOULD BE MADE PRIOR TO THE START OF THE MATCH.**

16. LIGHTNING AND INCLEMENT WEATHER

Recognition and Management:

> Coaches, athletic trainers, athletes, administrators and contest officials should be educated regarding the signs indicating thunderstorm development. Since the average distance between successive lightning flashes is approximately two to three miles, ANYTIME that lightning can be seen or heard, the risk is already present.

Weather can be monitored using the following methods:

- **Monitor Weather Patterns** – Be aware of potential thunderstorms by monitoring local weather forecasts the day before and morning of the competition, and by scanning the sky for signs of potential thunderstorm activity
• **National Weather Service** – Weather can also be monitored using small, portable weather radios from the NWS.

  The NWS uses a system of severe storm watches and warnings. A watch indicates conditions are favorable for severe weather to develop in an area; a warning indicates severe weather has been reported in an area, and everyone should take proper precautions. *Any thunderstorm poses a risk of injury or death even if it does not meet the criteria for severe weather.* Therefore, *anytime thunderstorms are in the forecast (even if it is only a 20 percent chance)* event organizers should be at a heightened level of awareness to the potential danger of lightning.

**Management:**

- **Evacuation** – *If lightning is imminent or a thunderstorm is approaching, all personnel, athletes and spectators shall evacuate to available safe structures or shelters.* A list of the closest safe structures should be announced and displayed on placards at all athletic venues.

- **Thirty-minute rule** – *Competition or practice shall be suspended once lighting has been recognized or thunder is heard.* It is **required** to wait at least 30 minutes after the last flash of lightning is witnessed or thunder is heard prior to resuming practice or competition. Given the average rates of thunderstorm travel, the storm should move 10-12 miles away from the area. *This significantly reduces the risk of local lightning flashes.* Any subsequent lightning or thunder after the beginning of the 30-minute count shall reset the clock, and another count shall begin.

17. **INTERRUPTED TOURNAMENT**

Any OHSAA tournament interrupted due to events beyond the control of the responsible administrative authority shall be resumed from the point of interruption.

18. **UNIFORM**

Players must wear an appropriate school uniform or proper tennis attire, preferably in school colors, in all tournament matches. Appropriate tennis attire is defined as clothing specifically manufactured for tennis wear. *Any lettering or pictures on clothing and/or headgear must pertain to the school name or emblem, the student’s name, a tennis racquet and/or tennis ball, or be patriotic in nature (e.g. United States flag).* Exception – Manufacturer’s names or logos are permitted on all tennis uniforms provided they do not exceed one and one-half inches in height. Girls have the option of tennis dress or school uniform. "Doubles" teams players shall wear like color tops. Any visible undergarments that extend below the uniform shorts, dress, or skirt shall be the same color of the shorts or skirt or represent school colors or be all white or all black, or all gray. The dress code is to be enforced by the tournament manager. Failure to comply will result in a player being denied the right to participate. *Any clothing deemed to be “reflective” or “distractive” in nature by the tournament manager will not be permitted.* Slogans or phrases, such as “state bound”, “we slam”, etc. are not permitted on uniforms at any levels of the tournament. Participants may wear apparel sold by the OHSAA apparel vendor. See complete text of uniform requirements in the tennis sports regulations.

19. **UNSPORTING CONDUCT PENALTY**

During participation in OHSAA Tournaments any student or coach ejected for unsporting conduct or flagrant foul shall be ineligible for the remainder of that day as well as for all contests in that sport until two regular season/tournament contests are played. Thus, a student and/or coach that gets ejected at the first level of the tournament will not be able to further participate in the OHSAA tournament.
Individuals ejected for unsporting conduct shall be reported to the OHSAA Executive Director by the tournament manager. The Executive Director will investigate the situation and may impose additional penalties in accordance with Bylaw 11 if the situation warrants it.

Participation in an athletic contest is a privilege. Each individual is expected to conduct herself in an exemplary manner while participating.

20. PROPERTY DAMAGE

There is no insurance covering property damage. If property is damaged at a tournament site by competing school teams, student body or spectators, the school from which the students and/or spectators come shall be liable and pay the cost of repair or replacement. The tournament manager is authorized to deduct from the school’s share the cost of any damages caused by competing schools. Other damages to facilities not attributed to a competing school could be a legitimate tournament expense and may be deducted from tournament receipts. If damage is extensive, the District Board or Board of Directors will become involved. Student crowd control at the state-sponsored tournaments is the responsibility of the principals of the competing schools.

21. SPONSORSHIP AND RIGHTS

The Ohio High School Athletic Association is the sponsoring association for the Sectional, District and State Tennis Tournaments. The OHSAA reserves all rights in regard to the management of these tournaments and the sale of any items or any audio-visual reproductions. Any sale of food, clothing, souvenirs or any other items is strictly prohibited without permission of the respective District Athletic Boards for Sectional or District Tournaments and the OHSAA Commissioner for the State Tournaments.

22. PROHIBITED ADVERTISING

There shall be no advertising through printed media, signs, billboards, radio or television that includes beer, wine, liquor, tobacco, political parties or candidates or any other advertising contrary to the philosophy of the high school athletic program.

23. RAFFLES PROHIBITED

There shall be no raffles or any type of games of chance permitted at the site of OHSAA tennis tournament contests during the period beginning one hour prior to the tournaments and ending with the conclusion of the final match.

24. PROHIBITED SALES

The sale of, the distribution of, or the consumption of alcoholic beverages or illegal drugs is not permitted at the site of any contest involving OHSAA member schools.
THE 44th ANNUAL GIRLS STATE TENNIS TOURNAMENTS
THE LINDNER FAMILY TENNIS CENTER, October 18-19, 2019
Eric Maclin, Manager

1. REGULATIONS

The regulations for Sectional and District Tennis Tournaments shall apply to the State Tennis Tournament in addition to those listed below.

2. STATE TOURNAMENT MANAGER

The State Tennis Tournaments are under the supervision and sponsorship of The Ohio High School Athletic Association with the cooperation of the Lindner Family Tennis Center. The State Tournament Manager is Eric Maclin, 111 Water Street, Milford, OH 45150. Telephone 513-289-2446.

3. COACHES MEETING

8:00 a.m., Friday, October 18, 2019 in the lower level of the Flory Player Lounge in the Lindner Family Tennis Center located at 5460 Courseview Drive, Mason, OH 45040.

All semifinal qualifying participants and coaches shall assemble at 8:30 a.m., Saturday, October 19, 2019, outdoors at the tournament headquarters.

Information will be made available on the OHSAA website if inclement weather interferes with the tournament.

4. SCHOOL REPRESENTATIVE

No team or individual entry will be allowed to compete in the Sectional, District or State Tournaments unless accompanied by a coach or person authorized by the Board of Education or similar governing body for a non-public school. Teams and individual entries unaccompanied by a coach or authorized person will be disqualified. The school representative shall be present during play of their entries. Only an individual who has been authorized by a member school’s Board of Education or similar governing body, or member of the school team, may participate in interscholastic match/contest activities (e.g. warmups.)

5. ENTRIES

Singles and Doubles players that qualify from a District Tournament are automatically entered in a State Tournament. No additional information is necessary.

6. *SEEDING: STATE

Placement on Brackets in Division I singles and doubles shall be conducted in the Association Headquarters with the following criteria to be followed:

A. The Qualifiers from each of the District Tournaments shall be placed in brackets as follows:

1. First and second place qualifiers from each district will be placed in opposite half brackets.

2. Third and fourth place qualifiers will be placed in different quarter brackets than the first and second place qualifiers.

3. Fifth and sixth place qualifiers will be placed in different quarter brackets.
4. Qualifiers from the same District Tournament shall not meet in the first round of play.

B. A play-off shall be held for third and fourth place in the State Tournament for both singles and doubles. The sequence of play, whether prior to the state finals or concurrent with the final matches, will be left to the discretion of the tournament manager.

* Division II will have 5 #1 seeds, reflective of the five District tournaments. As a result of five #1 seeds, a #1 seed may play a #3 seed in the first round. Number two seeds may also face each other in the first round. Also, because there are five #1 seeds, and representation varies between athletic districts, #1 seeds may face each other during the 2nd round of play. In addition to having five (5) #1 seeds in DII, one district will have only one state representative in singles and doubles, while another district will have five (5) representatives. This makes it difficult when seeding to keep individuals from the same district from participating against each other in early rounds.

Ohio Tennis Coaches’ Association/OHSAA Code of Conduct

The following Code of Conduct has been adopted by the Ohio Tennis Coaches’ Association and the OHSAA and is used for all OHSAA tournament and school matches. In some cases, it supersedes USTA regulations. Players can incur Code Violation Penalties for actions not only during the match, but also before and after the match. It is suggested that, before each tournament or match, each participant be advised that the OHSAA point penalty will be enforced. Penalties for code violations are accumulative and follow the listed progressions.

**Time Violations**

1. In OHSAA-sponsored tournaments where there is a meeting of the manager and coaches:

   The penalties for time violations in No. 1 are:
   - 15 minutes late for meeting: LOSS OF COIN TOSS PLUS ONE GAME.
   - Each additional 5 minutes late: LOSS OF GAME; UP TO THREE GAMES.

   **Note:** This holds for all players for which the coach is responsible. Implementation of these penalties is at the discretion of the tournament manager.

2. Not starting play within 20 seconds after a 10-minute warm-up.

3. The receiver must play at the reasonable pace of the server and must be ready to receive when the server is ready to serve.

4. 90 second rule on game change over.

5. Violations of continuous coaching guidelines

   The penalties for violations in No. 2, No. 3, No. 4 and No. 5 are:
   - 1st Offense: WARNING
   - Each Subsequent Offense: POINT

6. **ANY unsporting conduct including but not limited to:**

   6.1 Prolonging an argument after being directed to play.
   6.2 Visible or audible profanity.
   6.3 Abuse of racquet, balls or equipment.
   6.4 Abusive conduct by a player or a person associated with a player.
   6.5 Taunting or baiting an opponent (any attempt to embarrass, ridicule or demean another person).
   6.6 In an officiated match, excessive overrules by an official, or excessive appeals by a player can be deemed unsporting conduct and penalized as such.

   The penalties for violations above are:
   - 1st Offense: POINT
   - 2nd Offense: GAME
   - 3rd Offense: DISQUALIFICATION

7. **CODE VIOLATIONS RESULTING IN IMMEDIATE DISQUALIFICATION.**

   7.2 Extreme unsporting behavior.
   7.3 Not resuming play after 5 minutes following treatment of an injury or illness.
   7.4 Being late for a tournament match (10 minutes) after the match has been called to start. (This is after the coach has reported to the tournament manager that they are present. A team still has 30 minutes to report to the tournament at the sectional and district tournament level.)

**NOTE — These are minimum regulations, and, depending upon the severity of the situation, a coach or official may issue a penalty more severe than is listed.**

8. **NOTE FOR FANS**

   Fans are also encouraged to practice good sporting behavior. Please do not approach officials, tournament managers or OHSAA staff. Let the coaches’ coach, let the players play, let the officials officiate.
COMMUNICABLE DISEASE PROCEDURES

While risk of one athlete infecting another with HIV/AIDS during competition is close to non-existent, there is a remote risk that other blood borne infectious diseases can be transmitted. For example, Hepatitis B can be present in blood as well as in other body fluids. Procedures for reducing the potential for transmission of these infectious agents should include, but not be limited to, the following:

1. The bleeding must be stopped, the open wound covered and if there is an excessive amount of blood on the uniform it must be changed before the athlete may participate.
2. Routine use of gloves or other precautions to prevent skin and mucous-membrane exposure when contact with blood or other body fluids is anticipated.
3. Immediately wash hands and other skin surfaces if contaminated (in contact) with blood or other body fluids. Wash hands immediately after removing gloves.
4. Clean all contaminated surfaces and equipment with an appropriate disinfectant before competition resumes.
5. Practice proper disposal procedures to prevent injuries caused by needles, scalpels and other sharp instruments or devices.
6. Although saliva has not been implicated in HIV transmission, to minimize the need for emergency mouth-to-mouth resuscitation, mouthpieces, resuscitation bags, or other ventilation devices should be available.
7. Athletic trainers/coaches with bleeding or oozing skin conditions should refrain from all direct athletic care until the condition resolves.
8. Contaminated towels should be properly disposed of/disinfected.
9. Follow acceptable guidelines in the immediate control of bleeding and when handling bloody dressings, mouthguards and other articles containing body fluids.

SERVICE ANIMAL INFORMATION

It is the position of the Ohio High School Athletic Association that all individuals, including those with disabilities, shall have access to OHSAA tournaments and regular season contests conducted by the member schools. This statement is designed to apprise all OHSAA member schools and tournament managers of the law relating to these accommodations for persons with disabilities and to remind the membership of obligations as it relates to this law.

According to the federal law known as the Americans with Disabilities Act, see complete reference here https://www.ada.gov/service_animals_2010.htm, only dogs are recognized as service animals and are defined as “dogs which are individually trained to do work or perform tasks for people with disabilities.” Under this law, as an organization which serves the public, the OHSAA and its member schools, shall allow these service animals to accompany people with disabilities in all areas of facilities where the public is normally allowed to go.

The service dog must be harnessed, leashed or tethered unless these devices interfere with the service animal’s work or the individual’s disability prevents using these devices. In that case, the individual must maintain control of the animal.

When it is not obvious what service the dog provides, only limited inquiries are allowed. Staff members may ask two questions: 1) Is the dog a service animal required because of a disability? and 2) What work or task has the dog been trained to perform? Staff shall not ask about the person’s disability, require medical documentation,
require a special identification card or training documentation for the dog, or ask the dog to demonstrate its ability to perform the work or task.

We thank you in advance for making these accommodations for people who have disabilities so that they may fully enjoy the events that are sponsored by the Ohio High School Athletic Association and its member schools. If you have questions, as always, please contact a representative of your District Athletic Board for a sectional or district tournament or the sport administrator on our staff for all other inquiries.

**SPORTING CONDUCT**

The OHSAA challenges everyone to take positive steps toward positive sporting behavior. It is the responsibility of each of us to serve as a positive role model and set high expectations for others.

**ADMINISTRATORS**

Athletic departments are comprehensive, pre-eminent teaching departments with a subject matter all their own: self-confidence, leadership, teamwork, discipline, perseverance, respect for others, strategic thinking, dedication, the importance of rules, and sportsmanship. These are true-life lessons, and participation in athletics provides another forum for learning.

Coaches and Officials are responsible for promoting sportsmanship and positive behavior on the field. Administrators, we need your continued assistance in promoting sportsmanship and controlling fan behavior in the stands! Let the parents and fans know what you expect!

**COACHES**

Your athletes will demonstrate the attitudes and behaviors they have learned from you, either through direct instruction or through observation of your actions. *Never underestimate the influence you have on your players!*

You must:

- Abide by and teach the rules of the game in letter and in spirit.
- Set a good example for players and spectators to follow.
- Respect the integrity and judgment of game officials. Treating them with respect, even if you disagree with their judgment, will serve to create a positive impression of you and your team.
- Display modesty in victory and graciousness in defeat.
- Develop a program that rewards participants and spectators for displaying proper sportsmanship and enforces penalties on those who do not abide by sportsmanship standards.

It is difficult to develop a great setter, a great hitter or a great defensive player. However, your greatest challenge is to develop mature young adults who will become great citizens and role models in your community.

**OFFICIALS**

Your job is not an easy one, but officials must be aware that they are an important component in the educational development of students. To carry out this responsibility, you must:

- Know the rules and mechanics of our sport and the philosophy behind them.
- Get fit and stay fit. An official with all of the rules and mechanics knowledge and people skills in the world does no good if he or she cannot physically keep up with play.
Maintain professional and ethical relationships with athletic administrators, especially in the area of fulfilling game contracts.

Work cooperatively with fellow officials during games and within the officials’ association to improve members’ performances.

Maintain at all times and when interacting with all participants, an attitude of civility and professionalism.

Practice effective preventive officiating as much as possible before, during, and after a match. The quiet word, proper signals, timely verbal instructions, a simple thank-you to a player for avoiding an unsporting act, and well-thought-out pre-game conferences with the teams and other game officials will result in an improvement of sporting conduct by eliminating the chance for things to go wrong.

STUDENT-ATHLETES
You serve as a role model for your younger siblings, young fans in the stands, your teammates, and your classmates. Set high expectations for everyone and help them follow-through! You must:

- Accept and understand the seriousness of your responsibility, and the privilege of representing your school and the community.
- Live up to the standards of sportsmanship established by the school administration and the coaching staff.
- Learn the rules of the game thoroughly and discuss them with others. This will assist everyone in the achievement of a better understanding and appreciation of the game.
- Treat opponents as you would like to be treated……with respect.
- Respect the integrity and judgment of game officials. Treating them with respect, even if you disagree with their judgment, will serve to create a positive impression of you and your team.

CONCLUSION
Good sportsmanship is everyone’s responsibility. It is the essence of interscholastic athletics. Remember…some may question an official’s call or a coach’s substitution, but no one can question the value of good sportsmanship.
