2017 OHSAA Athletic Discussion Meetings

The 2017 Ohio High School Athletic Association Athletic Discussion Meetings have been finalized with the dates and locations for the six meetings listed below. OHSAA administrative staff members will review the 2017 referendum issues and discuss topics of current interest to administrators involved with or interested in the school’s interscholastic athletics program. Meetings will last approximately two hours, and there is no cost to attend.

The meetings are intended for superintendents, high school principals, high school athletic administrators, 7th-8th grade principals, city supervisors and board presidents. Media members are also welcome to attend. Attendance by at least one school administrator is highly encouraged, and a maximum of four administrators from one school is permitted.

We ask school administrators to coordinate their registration efforts through the high school athletic administrator. He/she was emailed a link to the registration form. An email will be returned to athletic administrators to inform them that their registration has been received.

The OHSAA Board of Directors and staff hope that you will be able to attend one of the meetings. If conflicts develop after a reservation has been submitted, please send another administrator to take your place. If no one is available, please contact Molly Downard (mdownard@ohsaa.org or 614-267-2502, ext 108) for cancellations. It is important that the host sites be provided with an accurate count of attendees to ensure a proper setup. Thanks for your attention to this matter, and we look forward to seeing you at one of these meetings!
